PART I - FFA STORY BOOK FARM

This department was introduced to the Steele County Free Fair in 1958 and because of the great amount of interest shown by both children and adults, it has become a permanent feature.

The storybook farm is located at the northeast corner of the race track, next to the machinery exhibits. The farmyard will be open from 9:00 a.m. until 10:00 p.m. daily.

Entries are open to all classes of animals, wild or domesticated- . all of which may or may not be common to, but are raised on farms of Steele County.

Entries must be in place by 4:00 p.m. opening day of the fair. All entries are to remain in place until 7:00 p.m. Sunday.

Entries will be accepted by the superintendents or by contacting the fair secretary. The entry forms are also on the website at scff.org.

Pens and space will be limited. Exhibits in the best condition and with the greatest appeal will be given first consideration. Selection of animals placed in the farmyard will be made by a committee. Points of selection will be: age, condition, suitability and general appeal. Premiums will be made only on worthy exhibits. Amount of the premium will be based on the categories listed below.
